Join us for an informative program focusing on the actions employers need to take to prepare for the sweeping changes becoming effective this year and next.

Topics to be covered:

- Employers subject to the "play or pay" mandate, including required aggregation of affiliates in applying the 50 FTE threshold
- Maximum eligibility waiting periods
- Excluding part-time and temporary employees
- Using premium affordability safe harbors
- Employer strategies for minimizing coverage costs and penalties
- On a personal note: What the individual mandate and insurance market reforms mean for you and your family
